

## Air Forwarders Association Preferred Member Bond Program

The Air Forwarders Association (AFA) is offering its members a practical solution for obtaining a Property Broker or Domestic Surface Freight Forwarder Bond.

*"A proven provider and a stable surety are paramount concerns to our members and that's why we have chosen Roanoke Trade and their "A+" rated surety American Alternative Insurance Corporation (AAIC) as the facilitators of this program," says Brandon Fried, AFA's Executive Director.*

### Preferred Member Program Features

- Simplified Application Process
- Quick Turnaround
- Competitive Pricing
- Flexible Underwriting Guidelines
- Responsive Support

### Value Added Benefits

Built into this program are special options especially beneficial to new entities and smaller companies who may not meet the financial requirements needed to obtain the required bond in the standard surety marketplace. If your application has been declined elsewhere, our program may be a solution.
