

Update 3 – Mitigation Efforts Due to Lapse in Fiscal Year 2019 Appropriations and Partial Government Shutdown

To mitigate the impact caused by the lapse in appropriations and shutdown of National Maritime Center (NMC) operations, the following updated actions are being taken:

- Merchant Mariner Credentials (MMC) and Medical Certifications (National Endorsements only) that expire in December 2018, January 2019, or February 2019 are extended as valid until May 31, 2019. Mariners who are actively working on expired credentials that meet the expiration criteria must carry the expired credential with a copy of the attached letter.
- The following items that expire in December 2018, January 2019, or February 2019 are extended to April 30, 2019: Additional Information (AI) letters, Qualified Assessor (QA) letters, Designated Examiner (DE) letters, Proctor approval letters, Approval to Test (ATT) letters, and mariner training course certificates.
- For mariners whose 90-day testing cycles were interrupted by Regional Exam Center (REC) closures (starting on December 26, 2018), the days the RECs were closed will not count against the 90-day period. REC appointment calendars will be re-opened once appropriations are restored and RECs are fully operational.

The NMC understands the partial shutdown may affect our industry customers and stakeholders and we apologize for any potential inconvenience.

Dear U.S. Mariner,

Due to the federal government's partial lapse in appropriations for fiscal year 2019, the Coast Guard is unable to process mariner credentials in a timely manner. To provide relief to impacted mariners and under the authority of 46 United States Code § 7507 and § 7508, the Coast Guard is granting extensions effective immediately to National Endorsements and Medical Certificates until May 31, 2019, for mariners whose credentials expire in December 2018, January 2019, or February 2019.

All mariners sailing under the authority of their National Endorsement(s) should print and retain a copy of this letter with their Merchant Mariner Credential (MMC) and Medical Certificate to produce it upon request by the U.S. Coast Guard, other agencies or officials. The National Maritime Center (NMC) does not intend to issue any separate or new MMCs to correspond to this extension for mariners sailing domestically. This extension does not apply to Standards of Training, Certification and Watchkeeping for Seafarers (STCW) endorsements.

Applications submitted before or during the partial government shutdown will be processed as soon as possible once the NMC is reopened and is legally authorized to begin operations.

If you have questions, visit the NMC website or contact the NMC Customer Service Center by using the NMC online chat system, by e-mailing IASKNMC@uscg.mil, or by calling 1-888-IASKNMC (427-5662).

Sincerely,
