

April 2017 Meet Up Conference Call

"Exploring Torah Text with Young Children"

Hosted by: Rebecca Milder, **FOUNDING DIRECTOR**

Learn some innovative approaches to offering young children the actual Torah text, not a story about the text, and engaging in a process that lets each child figure out their own interpretation of the text, through play, projects, and more.

Rebecca Milder is a rabbi and veteran Jewish educator with a Masters degree in educational administration. Her extensive leadership experience spans across formal and informal Jewish education throughout the religious spectrum. Rabbi Rebecca's professional work has focused on innovative approaches to Jewish learning and community-building. She has revitalized religious schools, reimagined family education programs, and created new educational tracks at camp. In addition, she worked for four years at a central agency for Jewish education, building collaboration among Jewish day schools. She is honored to be building this Jewish Enrichment Center with the children and families of Hyde Park, and our outstanding professional team.
