

YOUR CORPORATE MEMBERSHIP
WITH PINK PETRO

You're here because you recognize the value of an inclusive workplace. WE LOVE THAT. And we can help you take your commitment to inclusion to the *next level*.

WHAT WE OFFER:

- Unlimited employee access. No matter how big your team, they can all take advantage of everything Pink Petro has to offer
- Invitations to exclusive professional development opportunities
- Access to our thriving community — more than 8,000 strong and growing — via website, members-only app, and our experiences, which you can attend live or on-demand
- Access to private learning engagements and seats on our Global Community Council (depending upon your membership level)
- Dedicated social promotions, giving your brand exposure via our powerful social channels that generate more than 200k views per month and 500k impressions
- Access to accomplished coaches, mentors and experts via our monthly Coach's Corner program and other offers available both live and on demand via Pink Petro TV

WHAT YOUR COMPANY GETS IN RETURN:

- Increased ability to attract and retain women in energy and create a stronger, more inclusive workforce
- Access to a niche market of women and men who represent the future of energy
- Streamlined access to a more diverse supply chain
- Professional development opportunities for your employees, both live and on demand
- Membership in a vibrant online community that fosters stronger connections and enhanced knowledge sharing among energy leaders around the world who are committed to diversity and inclusion
- Demonstrated return on investment, via Pink Petro's commitment to delivering results you can measure
- A stronger brand, bottom line and future for your company
