#### **Corporate Support:**

Haven House prides itself on its breadth of corporate partners across the City and London that support the hospice. We work with each company to tailor a partnership that works for them, combining fundraising, volunteering, events, payroll giving, and pro bono support. We would love to work with the companies that you represent and would welcome introductions from CWN members to the relevant contacts.

Please contact Kate Rosenthal who will be delighted to explore opportunities with you.

#### **Donate through your pay:**

By giving a small amount on a regular basis, you will enable us to continue to provide much needed care to local life limited and life threatened children and their families.

### Take on a Challenge:

Be part of our #Team15 and take on a challenge for Haven House in our 15th birthday year. Whether you're a runner, swimmer, cyclist, trekker or adrenaline-seeker, we really do have something for everyone, regardless of your level of fitness. Alongside the CWN places at the British 10k, we have a host of places at other events to offer:

### Give your time and volunteer

You can help Haven House by giving your time. Come and spend time with us and we'll be delighted to show you around the hospice too so that you can see first-hand the care that we provide.

Opportunities are available in our gardens, our shops, at our events, or with our teams in a pro bono skills-sharing capacity. Please contact Kate Rosenthal to explore opportunities.

### Thank you

And finally.... a huge thank you from our children, families and nurses for the support that CWN is giving to us
